What is prayer?

Prayer is a form of communicating with God. God is our Heavenly Father, He wants us to speak to him. He listens to everything we have to say. And Prayer is an important way of speaking to him.

How do you define prayer?

What does the Bible say about prayer...

Philippians 4:6

Don't worry about anything; instead, pray about everything. Tell God what you need, and thank him for all he has done.

What do you think God is telling you?

Activity 2

Jesus told us in the Bible to pray like this..

hallowed be your name,
your kingdom come,
your will be done,
on earth as in heaven.

Give us today our daily bread.

Forgive us our sins
as we forgive those who sin against us.

Lead us not into temptation

For the kingdom, the power,
and the glory are yours

TAAPT is a way of structuring our prayer

T - Thanksgiving

You need to thank God always, so before you go deep into our prayers, it is good to give thanks to God.

A- Ask for forgiveness

After You give thanks, you need to ask for forgiveness. This is because we all sin and we need God to forgive us our sins.

P- Protection

Now you need to pray for protection. You should tell God to protect you from harm and evil. Remember to pray for others too.
